

Reen Presnell is the Vice President and General Manager of VTM's Initiatives Management & Logistics Group. During his seven plus years at VTM, he has directly supported the efforts of numerous technical initiatives by providing marketing and operational services as well as policy and strategic direction-setting. Reen has served in titled positions within several initiatives to include Executive Director and Ad-interim Chairman

The project team under Reen's direction is comprised of over 45 dedicated professionals and provides the bulk of resources for initiative management clients, to include staffing the 30 plus organizations.

Reen has earned an M.B.A. from the University of Portland with an emphasis in Global Business and Marketing in addition to a B.S. in Business Administration – Marketing and Management from Southern Oregon University.

#### **About the PCI-SIG**

PCI-SIG is the Special Interest Group that owns and manages PCI specifications as open industry standards. The organization defines and implements new industry standard I/O (Input/Output) specifications as the industry's local I/O needs evolve. The PCI Special Interest Group was formed in 1992, and the organization became a nonprofit corporation, officially named "PCI-SIG" in the year 2000. Currently, more than 850 industry-leading companies worldwide are active PCI-SIG members. PCI-SIG's current directors are employed by the following PCI-SIG member companies: AMD, Broadcom, HP, IBM, Intel, LSI Logic, Microsoft and nVIDIA. For more information about PCI-SIG, and PCI-SIG membership benefits, contact PCI-SIG by phone, at 503-619-0569, or by fax at 503-644-6708, or visit the PCI-SIG web site at: [www.pcisig.com](http://www.pcisig.com).
